

## CONTACT DETAILS

**MILICA POPOVIĆ STIJAČIĆ** (orcid: [0000-0002-5785-3974](https://orcid.org/0000-0002-5785-3974))

Department of Psychology

Faculty of Media and Communications, Singidunum University

Republic of Serbia

Karađorđeva 65

11000 Belgrade

tel/fax: +381 64 23 76 294

e-mail: [milica.p.stijacic@gmail.com](mailto:milica.p.stijacic@gmail.com); [milica.popovic.stijacic@fmk.edu.rs](mailto:milica.popovic.stijacic@fmk.edu.rs)

## EDUCATION

- 2021 PhD of Psychology, Faculty of Philosophy, University of Novi Sad, Serbia  
Thesis supervisor: Dušica Filipović Đurđević  
Thesis title: *The relevance of perceptual information in word processing – the perspective of embodied cognition*
- 2015 MS in Applied Statistics, University Centre for Applied Statistics, University of Novi Sad  
Thesis supervisor: Ljiljana Mihić  
Thesis title: *Analysis of accuracy in memory tasks: a comparison of statistical strategies*
- 2010 MA in Psychology, Faculty of Philosophy, University of Novi Sad, Serbia  
Thesis supervisor: Dušica Filipović Đurđević  
Thesis title: *Influence of number of senses through which a concept could be experienced on paired associate learning*
- 2009 BA in Psychology, Faculty of Philosophy, University of Novi Sad, Serbia  
Thesis supervisor: Dušica Filipović Đurđević  
Thesis title: *Number of sensory modalities through which a concept can be experienced: effect on recall*

## CAREER

- 2021- **Assistant Professor**, Department of psychology, Faculty of Media and Communications, Singidunum University, Serbia
- 2020-2021 **Teaching Assistant**, Department of psychology, Faculty of Media and Communications, Singidunum University, Serbia
- 2017-2020 **Research Assistant**, Laboratory for Experimental Psychology, Faculty of Philosophy, University of Novi Sad, Serbia
- 2011-2018 **Office manager**, Plinkom, Novi Sad, Serbia
- 2015-2016 **Psychologist, caseworker**, Centre for Social Work, Novi Sad, Serbia
- 2010-2011 **Psychologist, Volunteer**, Centre for Social Work, Novi Sad, Serbia
- 2007-2017 **Student researcher**, Laboratory for Experimental Psychology, Faculty of Philosophy, University of Novi Sad, Serbia

## Specializations, scholarships, awards and academic visits

- 2024 Quantifying Semantic-Orthographic Regularities (QuaSemO), Munich, workshop
- 2023 Invited lecturer at Petnica Science Center, Serbia. Title of lecture - *The meaning of words from the perspective of embodiment theory: Testing cognitive perceptual information in word processing*
- 2022 Invited speaker at BG LEP tribune, Faculty of Philosophy, Department of Psychology, University of Belgrade. Title of tribune: *Change of Emotional Experience of Words Before and After COVID: a Transversal Study*
- 2021 Invited speaker at BG LEP tribune, Faculty of Philosophy, Department of Psychology, University of Belgrade. Title of tribune: *The relevance of perceptual information in word processing: a perspective of embodiment cognition*
- 2021 Guest lecturer at Faculty of Philosophy, Department of Psychology, University of Belgrade; Title of lecture: *THE MEANING OF WORDS FROM THE EMBODIMENT PERSPECTIVE - Testing the cognitive relevance of perceptual information in word processing*
- 2019 Mixed Linear Model in R- workshop lecturer, Faculty of Philosophy, University of Banja Luka
- 2011 University award for scientific and professional work of students
- 2007-2009 University award for effective studying
- 2010 EPS Workshop on "The representation of Abstract Concepts", University College London, London

## Projects

- 2022-2023 External associate on project "Speech-language markers in neurodevelopmental and neurodegenerative diseases", Faculty of Philosophy, University of Zagreb, Croatia (PI: PhD Vlasta Erdeljac, full professor)
- 2021-2022 External associate on project "Deficits of sensorimotor characteristics in lexical-semantic processing in psychosis and dementia", Faculty of Philosophy, University of Zagreb, Croatia (PI: PhD Vlasta Erdeljac, full professor)

## Research

FMKlab – Laboratory for Psychological Research of Faculty of Media and Communications  
Laboratory for Experimental Psychology, Faculty of Philosophy, University of Novi Sad

## Membership in professional organizations

Women in Cognitive Science

## RESEARCH INTERESTS

Applied cognitive psychology  
Mental visualization processes and their operationalization  
Influence of affective dimensions on word processing and recall  
Emotional experience of words – influence of inner and contextual factors  
Perceptual richness measures  
Normative psycholinguistic studies  
Processing and recall of concrete and abstract words

Statistical modeling

## LANGUAGES

English, B2  
Spanish, B1  
Italian, A2

## PROGRAMMES

*Statistica, Stat Soft*  
*SPSS*  
*R statistical environment*  
*SoSci*  
*Open Sesame*
